RE: Continuity of Food Services- UPDATE

Dear Parent/Guardian,

To best meet the needs of our families and students, while at the same time maintaining safety and social distancing protocols from the state and federal government, we are altering our breakfast and lunch distribution. Distribution will be centralized to the Carlson/Shumate bus loop only.

Breakfast and lunch will still consist of three day's worth of USDA reimbursable meals for each child on Tuesday and four day's worth of USDA reimbursable meals for each child on Friday.

Breakfast meal components may include string cheese, fruit, grains such as a cereal bar, and drink. Lunch meal components may include deli meat sandwiches, vegetarian options, fruits, vegetables, and drink.

Meals will be available to ALL children ages 18 and under and includes students ages 18-26 with a current Special Education IEP, at the Carlson/Shumate Site Pick-up:

- When: Tuesdays and Fridays: 1:00-3:00 p.m.
- Where: Carlson/Shumate bus loop entrance
- How: Drive-Thru style pick-up. Please remain in your vehicle.

Thank you for your patience as we continue to adjust plans based on the newest safety and social distancing protocols from the state and the federal government.

Sincerely,

*Amy Conway*
