March 13, 2020

Dear Parent/Guardian,

As circumstances surrounding COVID-19 continue to quickly evolve and change, the Downriver school districts listed below have collectively decided to close schools on Monday, March 16 and Tuesday, March 17 so that the teachers and staff within our schools can take this time to research and plan for what remote learning might look like for our students. At this time, this is a planned closure, and we have every intention of schools reopening for learning on Wednesday, March 18.

Remote learning may take many forms; on-line based, packets of information and activities, home-based learning projects, etc.

We will continue to make decisions regarding school and school-related activities based on the guidance of the Centers for Disease Control and Prevention, the Wayne County Health Department, and the Michigan Department of Education. These are unprecedented times and circumstances and we simply feel that this time is needed to best prepare for possible long-term closures in the future.

As always, I thank you for your support of our School District. Together, we will continue to do our best to provide for safe and secure learning.

Sincerely,  
Amy Conway  
Superintendent
