

2019 SUMMER TENNIS CAMP

Play on the new courts this summer!

We are back at Gibraltar Carlson High School Tennis Courts!

Overseen by Varsity Boys Tennis Coach Rocky Giorgi, he has brought in a team of USTA Park and Rec certified instructors. They will be teaching the Net Generation/Quickstart program. This program provides scaled down balls, racquets, courts and nets for your child to be more successful quicker. Net Generations/Quickstart Program gives kids of all ages and abilities a game that will help them build friendships and learn skills they will use for life. Racquets are provided for use or may be purchased at class. Instructors reserve the right to move students to the appropriate class, if needed.

Please wear the appropriate clothing and shoes as your child will not be able to participate for safety reasons. Also bring water.
