

# LAKESHORE VIRTUAL SCHOOL

*An Online School with a Community Feel*

## Why Lakeshore Virtual for High School?

- **Flexible Learning Environment:** Work from home or on campus on your own schedule. Evening campus hours offered weekly.
- **Support:** We have teachers highly certified in English, Math, Science, Social Studies, and Special Education on campus readily available for one-on-one assistance.
- **Individualized** curriculum catered to fit any student's needs
- **Community:** Weekly opportunities available for students to interact with other students in person.

- **18 credits** to graduate with a high school diploma; part of the Gibraltar School District
- Chromebook provided to complete coursework
- Credit recovery, initial credit, Advanced Placement, and dual enrollment courses offered
- Vocational education classes for juniors and seniors through our partnership with the Downriver Career Technical Consortium (DCTC)
- Project-based, hands-on learning opportunities
