

Parsons Elementary School - Supply Lists - 2019/2020

Gibraltar School District provides your child with all books, supplies, and materials necessary for the completion of their grade level. We have prepared a suggested list of items that would be helpful for each child to have. While these items should not be considered a requirement, we are asking each child to bring the following supplies. Below are a few reminders about supplies:

Labeling:

Many classrooms use specific procedures when labeling folders, notebooks and binders. Please do not label these items until teachers provide specific instructions.

Backpacks/Binders:

When purchasing a backpack for school, we ask for you to consider not purchasing extremely large backpacks or backpacks with wheels. Rolling backpacks do not fit well in our limited hallway/classrooms space or lockers and can hamper children during arrival and dismissal. The fourth and fifth grade lockers will not fit backpacks larger than 6" thick and 10" wide

Please refrain from large binders/trapper keepers/organization aides, they do not fit in our desks.

Gym Shoes:

All students are asked to have a "clean" pair athletic shoes for use during physical education class.

Winter Apparel:

In following with district policy, we will make every attempt to be outside during the cold months. In order for students to play in the snow, we will require snow pants and winter boots. Students should be prepared for cold weather with a winter coat, mittens/gloves, and a warm hat.

Donations:

We are very excited that our PTO will also be purchasing some supplies for the school year. Due to their generosity, the teachers have been able to make their suggested supply lists shorter for the 2019/2020 school year. Please keep in mind that this is not a required list, but instead a suggested list for all grades.
