

Parsons Elementary School - Suggested Supply Lists - 2020/2021

Gibraltar School District provides your child with all books, supplies, and materials necessary for the completion of their grade level. We have prepared a suggested list of items that would be helpful for each child to have. While these items should not be considered a requirement, we are asking each child to bring the following supplies in a storage container with their name clearly labeled on the container. In the past, our students have shared supplies with each other. This will not be taking place this year due to Covid. Below are a few reminders about supplies:

Backpacks/Binders:

When purchasing a backpack for school, we ask for you to consider not purchasing extremely large backpacks or backpacks with wheels. Rolling backpacks do not fit well in our limited hallway/classrooms space or lockers and can hamper children during arrival and dismissal.

Please refrain from large binders/trapper keepers/organization aides, they do not fit in our desks and tables.

Gym Shoes:

All students are asked to have a "clean" pair athletic shoes for use during physical education class.

Winter Apparel:

In accordance with district policy, we will make every attempt to be outside during the cold months. In order for students to play in the snow, we will require snow pants and winter boots. Students should be prepared for cold weather with a winter coat, mittens/gloves, and a warm hat.

Student Supply Container:

Due to Covid, we will not be using class community school supplies for the 2020-2021 school year. We are asking that all of your child's supplies are labeled and brought to school in a labeled storage box or container with a lid. If you are not able to purchase a container, please let us know and we will provide one for your child(ren).

Sanitizers and Clorox Wipes: We will be supplying many sanitizers within the classrooms and throughout our school. The district has also purchased disinfectant wipes to be used to help clean students' desks and tables. However, additional supplies of these items are included on the lists and will always be welcomed and appreciated, but are not required.

Water Bottles: Students are encouraged to bring a labeled water bottle to school this year. Our water bottle refill machines will be available throughout the school for students to refill their water bottles. Drinking fountains will NOT be available for use this year.
