

11/15/20

Good Evening Gibraltar Families,

This evening, the MHSAA paused all athletics effective immediately until December 8, 2020. Obviously, we are saddened by the pause, but understand the decision and the safety needs of our students, families, and community. We look forward to resuming athletic activities in person as soon as it is safe and possible. In the meantime, if your child is part of a winter sports team, his or her coach will remain in contact throughout this pause. Coaches will provide workouts and plans for at home exercises that will help our athletes be ready for the return of sports. For sports like boys basketball that have not made cuts yet, tryouts will take place when we are allowed to resume athletics.

Take Care and Stay Safe,

Dan Kalbfleisch and David Anderson

Athletic Directors CHS and SMS
