

12/7/20

Dear Seahawk Families,

I hope this letter finds you healthy and ready to return to athletics. This has been a different year on many fronts, and athletics is no different. We had a pause to athletics per the MDHHS in mid November and barring any extension at the state level, will be able to return to practices after the first of the year for certain sports. Please see below for information regarding specific sports and changes to scheduling that were made at a league level.

**Boy's Basketball:**

Basketball practice will resume on January 4th (unless an extension is put into place at the state level). The practice schedule will be sent out by the coaches via Remind101. Please see the attached sport schedule for games.

**Swimming:**

Swimming has been postponed until after the first of the year. The meets were moved to March and practice will begin February 15th. Please see the attached sport schedule for meets.

**Competitive Cheerleading**

Competitive Cheer will be postponed until after the first of the year. Competition and practice information will be sent by Coach Kayla.

**Wrestling**

Wrestling will start on schedule in early January. Information will be sent home with students next week before they leave for break. Please see the attached sport schedule for meets.

Sincerely,

Dave Anderson  
Assistant Principal/Athletic Director
