Shumate Parent Teacher Conferences

Hello Shumate Families,

Parent/Teacher Conferences will take place on Thursday, October 21st (afternoon and evening) and Friday, October 22nd (afternoon only). Teachers will release conference sign-up spots for the 10/21 conference times via a Parentsquare message tomorrow at 8 AM. Teachers will contact specific parents to schedule 10/22 appointments.

We received a great deal of positive feedback after our Zoom conferences last year. Parents indicated an appreciation for not waiting in lines. Because of this, Zoom will once again remain the primary option for conferences. This will help parents avoid waiting at the school to speak with multiple teachers if conference blocks can't be scheduled close together. Unlike last year, parents may also request a face-to-face meeting with teachers in place of the Zoom. This will require an additional step within the sign-up process. Parents that prefer a face-to-face conference will include a short note in the space provided within their ParentSquare sign-up to indicate they want a face-to-face meeting.

Parents that need to set up a conference with their child's counselor should email the counselor directly to set up a conference appointment time. Here are the email addresses of our counselors:
