

8/25/21

Hello Shumate Families,

After having multiple people ask for another COVID vaccination clinic at SMS, we have been able to secure our second date through Rite Aid, with the first Pfizer doses on Prep Day (8/30/21) from 12:00 pm to 4:30 pm in the SMS Cafeteria. Interested people should use the sign up link below. Since our students are under 18, we're asking parents to make sure to indicate the name of their child in the space provided using the link below.

<https://www.signupgenius.com/go/805044DA8AF2BA3FC1-smspfizer>

In order to be as prepared as possible, please read the following:

- Students must be 12 years old on 8/30/21. We are unable to make exceptions.
- All minor students must be accompanied by a parent while the vaccine is being administered.
- There are consent forms attached to this message, along with information regarding the Pfizer vaccine. Please make sure to complete these forms ahead of time or allow yourself time to arrive early to complete them.
- Make a copy of the front and back of your insurance card and your ID on the same sheet. This makes the process faster.
- Students will not be turned away based on lack of or type of health insurance.
- Parents and students MUST bring ID (school ID is ok for students accompanied by a parent).
- Please plan to arrive 10 minutes early to ensure that paperwork is correct and that we have time to fulfill all check-in requirements. People receiving the vaccine are required to wait 15 minutes after their shot.

Second shots will be scheduled for September 20, 2021. Another SignUp Genius will be sent to schedule second shots.

Thank you,

Eric Cassie
Principal
Shumate Middle School
