SHUMATE Mid-Week Family Update

September 9, 2021

Hello Shumate Families,

In this mid-week update, you will find information regarding our Open House.

Open House Information

When: Tuesday, September 14 from 5:00-6:30pm

Our Open House format will be slightly different from previous years, however the purpose will remain the same. In order to avoid large groups in the building we will run three, 30 minute sessions by last name. These short sessions should be used for students and parents/guardians to get to know teachers and get acquainted with the classrooms. Furthermore, we're asking that if at all possible only students and parents/guardians attend the event.

Please see the schedule below for your Open House times:

5:00-5:30

Students with a last name beginning with H- P
