Hello Shumate Families,

As we move forward with our end of the year plans, it brings us some comfort that we're able to plan for some "normal" things, even though the tasks and milestones will look very different this year. In the coming weeks, you will receive information regarding dates and times for students to pick up the items from their lockers, instructions for 20/21 scheduling, and plans for our 8th Grade (Virtual) Recognition Night to name a few. For now, please see below for helpful information as enter online week 4!

Within this week's update you'll find:

1. 5/11/20-5/15/20 Link for Student Work
2. UPDATED BIG Ideas / Concepts for students throughout the end of the year
3. Counselor's Corner
4. CHS Student Council - Current 8th Graders
5. NJHS Application Information
6. First Mates Application Reminder
7. Food Service and Distribution Update
8. Mental Health - GSD Family Check-In/Student Support Protocol Plan
9. Class of 2024 Shirts & Decal Order Form
10. Reminders for Students

Link for Student Work - 5/11/20-5/15/20

You will once again find that all core classes are the same for every student (by grade level), with the exception of math. Please check with your child to make sure that you are looking at the correct math class. Other than that, you'll just need to find your child's 3rd cardmarking electives for information about their other 2 classes.

BIG Ideas / Concepts For Students - Remainder of School Year

Please don't confuse this with the weekly assignment documents. This will serve as a general overview for the rest of the year, whereas the weekly updates serve as specific notification of assigned work. Here's the link:

Counselor's Corner

Good morning Seahawks,

Certainly, one of the most discouraging aspects of learning at home is our inability to meet face to face with our friends and teachers. Oh, how during these times, we miss our ability to enjoy everything there is about socialization. Believe me, you are not alone, Mrs. Antosiewicz and I feel much the same as you.

Many of you are regular visitors to our offices and we miss seeing you and being a part of your regular school day. Others, we only know from seeing you in the halls or hearing about your successes in the classroom or in the athletic arena, but we do know you.

We thought it would be a good idea to provide you with an opportunity to reflect on some of the thoughts and ideas you have during these unique times by posting an item twice a week to which we would like you to respond. Certainly, this is not mandatory as we know you have plenty to do to fill your time, but if the question should initiate a thought, idea, or emotion, please pass it along to Mrs. A. or me. It will help us as well! We miss you! We want to know how you are doing.

You can respond to us by filling out the question on the form below. You may also email us directly at any time. And, remember. check our Google Counseling Classroom and use code ayrevyy.

Be Strong,

Mr. Roman and Mrs. Antosiewicz

CHS Student Council - Current 8th Graders

This week, 8th grade students will be asked to self-nominate for the upcoming Carlson Freshman Class Student Council using a Google Form that will appear in their English Class on Monday. They will have until Friday May 15th at 4pm to nominate themselves to appear on the upcoming ballot.

Requirements to be on ballot:

2.5 GPA (no grades lower than a 'C' in any course)

The following week electronic ballots will be available in English classes from Monday May 18- Friday May 22. Voting closes at 4pm on May 22.

If you have any questions please contact Ms. Hulderman at huldera@gibdist.net

(Information regarding SMS Student Council for our 2020-2021 Seahaws will be placed in future editions of the Monday Update)

NJHS Application Information

All NJHS applications are due Sunday, May 10th. There is an online application on Shumate's website that can be filled out and emailed to Mrs. Gresham along with your essay. If you have any questions or concerns please email Mrs. Gresham at greshaj@gibdist.net.

First Mates Application Reminder

7th Graders interested in being a First Mate next year, don't forget your online application is due by Friday, May 15. The application is posted in your Social Studies Google Classroom.

Food Service and Distribution

Food Service sent out Free and Reduced Meal Applications and informative letters in each meal bag last week. Knowing that these notifications will not reach all families, we will include the following notice in all updates throughout the remainder of the year within the parent update and attach all information and the application. Hopefully this will help those that need assistance and qualify through these difficult times. Those that qualify will also start the new school year with either the Free or Reduced Meal status for the first 30 days of school next year.

For those that **do not already qualify for free and reduced meals and your income has changed**, See attached information and application form. If you have any questions call Food Service 734 379-7619.

Mental Health - GSD Family Check-In/Student Support Protocol Plan

This will be sent to families on Monday. Please feel free to share:

As you've read in prior updates, we are providing a wide range of mental health supports for our students throughout this difficult time. Please use the link below if you are concerned about your child's current mental health needs. If you are struggling with finding a balance, need family support, or your student is experiencing a mental health concern, please take some time to fill out this quick survey by clicking the link below to access the Gibraltar Schools Family Check-In/Student Support Protocol Plan letter. This letter contains with additional links to the [**GSD Family Check-In/Student Support Response Form**](#) and [**GSD COVID-19 Family Crisis Resources**](#).

Reminders for students:

All work is due by 4:00 on Friday.

Meet with your class using Google Meets at approximately 10:00am and/or 1:00pm each day following the schedule below. Specific times will be communicated by your child's teacher through Google Classroom.

Monday - Math

Tuesday - ELA

Wednesday - Science

Thursday - Social Studies

Friday - Electives (1st-3rd hours at approximately 10:00 and 4th-6th hours at approximately 1:00)

Google Meets - Connectivity Troubleshooting

We've noticed some commonalities in the connections problems reported by several students.

The following 2 tips will solve a ton of student connections issues when attempting to join your Google Meets. If your child is struggling to connect, please remind them of these 2 easy fixes:

1. A reminder that students cannot get into a Google Meet until the teacher has entered. If you get an error message, wait a minute or 2 and try again.
2. The password is case sensitive. Don't add capitals or spaces.

Please look for similar updates every Monday at 9:00am.

Warmest Seahawk Regards,

Eric Cassie & Dave Anderson
