

Dear Virtual Families,

Hello Everyone! Thank you for your patience as we continue to keep you informed on the most updated information from Lakeshore Virtual for starting school. We have received a large influx of students and moving that many students in MiStar does take some time. I apologize if you are not receiving information and we are doing our best to get everything finalized. Here are some reminders and updates as the school year gets closer:

- 1) **LVS Enrollment Form:** This form is due August 28th in order to finalize your child's enrollment and schedule at LVS for temporary and permanent enrollment. Please fill out 1 per student. Here is the form link: <https://forms.gle/HeSzaaPnt1pex2ZG8>
- 2) **First Day of School:** All virtual students will begin their core classes on September 14th. This is due to the reason mentioned above and the need to train new staff members. Partnership electives will begin on September 21st.
- 3) **Technology Pick-up:**
The Technology Department will be doing technology distribution as follows. You will take the Shumate entrance and follow the Lakeshore Virtual signs back to the parking lot area. They will have their door open. Please provide the name and age of each child needing a Chromebook and please remember to wear a mask when you arrive.
 - a) Returning iPads--If you have an iPad from the district, these need to be returned and exchanged for a Chromebook between August 31st - September 3rd. The times are from 9am-3pm with additional hours on Tuesday from 5:30pm - 8pm.
 - b) New Virtual Families without Technology--You will be able to pick up a Chromebook from the Technology Department between August 31st - September 3rd. The times are from 9am - 3pm each day with additional hours on Tuesday from 5:30pm-8:30pm.
 - c) Existing Families without Technology--You will be able to pick up your Chromebook from the Technology Department between September 8th - 11th. The times are from 9am-3pm on Tuesday through Friday with evening hours on Tuesday from 5:30pm-8pm.
 - d) Issues with Your Current Chromebook: Please email technology@gibdist.net with your child's name and grade level with the issue and the technology department will gladly assist you!
